

MRS. GAISMAN

Prime Minister's hair  
during Campaign

It is absolutely essential that you build into the Prime Minister's programme her *hair* appointments during the Campaign. As soon as you get the first draft from Roger Bowden can you look through it carefully and allocate  $1\frac{1}{2}$  hours once a week for a wash and set and a 30 minute Carmen Roller appointment once a week. At the moment she has a wash and set on Monday mornings at 0830 hours and Carmen Rollers at the same time on Thursdays. It doesn't matter if these days don't suit - for instance you will probably have to do a wash and set during a weekend.

The telephone no. of the hairdresser is 589 1282. He is called Paul. His home no. is 0276 33877.
