Dear Dr Jellinek,

I understand from Brian Pethica that you have just retired as Professor of Chemistry at Clarkson College of Technology. I have many happy memories of our time together at Lyons and I am delighted that you went on to such a successful career. I am glad too that although you left this country so long ago you have retained your affection and indeed your citizenship.

My best wishes for the happiest and most productive of retirements.

Yours sincerely  
Margaret Thatcher

Dr. Hans Jellinek.
